### Articles of the Week

[Famous Sports Betting Scandals and Their Lessons](#)

Sports betting has been a beloved pastime for centuries, and its popularity continues to soar as more states legalize it. However, we should tread carefully as there have been numerous famous betting scandals throughout history, where outcomes were manipulated for financial gain. Let's examine some of these infamous scandals and uncover the valuable lessons they teach us.

[Challenging NHL, NFL, and MLB Stadiums for Visiting Teams to Play In](#)

Home-field advantage is a well-documented phenomenon across various sports leagues, including the NHL, NFL, and MLB. Certain stadiums are notoriously difficult for away teams due to factors like crowd noise, weather conditions, and the passionate fan base. In this article, we will explore some of the most difficult stadiums for away teams to play in, focusing on total wins and loss records, crowd noise, and other unique characteristics that contribute to their intimidating atmospheres.

## [9 Tips for Successful Run Line Betting](#)

Baseball is one of the most popular sports in the world. Digging around a little on the internet, I found that it currently ranks 3rd in popularity within the United States and remains in the top 10 in the world. With that sort of popularity comes a variety of ways to bet on baseball games. Run line betting is a popular option for those looking to place wagers on baseball games. In run line betting, the favored team must win by a certain number of runs, while the underdog can either win outright or lose by less than the set number of runs. While run line betting can certainly be a fun and, at times, profitable way to bet on baseball, successful run line betting demands strategy and knowledge—just like most things do.

So, What Is Run Line Betting?

Before we dive into the 9 tips for successful run line betting, we should first summarize what a run line exactly is. If I were to put run line betting into a simile, I would say that the run line is to baseball as the point spread is to football.
